Media Accessories / In-Drawer Accessories

Divider Kits - Dividers & Backstops keep CDs & DVDs under control in cabinet drawers. The Dividers create 6 rows for CDs or 4 rows for DVDs, Blu-ray or VHS movies. The backstops glide along the divider rods and self lock. They keep everything under control when the rows are not full. This is our most popular accessory. Most people who don't order them with their cabinets order them after they receive the cabinets.

INDX - Index Plates

LABEL35 - 3.5" wide Label Holder
LABEL55 - 5.5" wide Label Holder

You need 6 Dividers and Backstops per drawer for CDs or 4 Dividers and Backstops per drawer for DVDs, Blu-ray and VHS movies. You can mix CDs and DVDs in one drawer.
